

IRISH MUSIC NIAGARA

ABOUT US

Irish Music Niagara is a newly established NON PROFIT ORGANISATION with the key objective of sharing happiness through Irish music and creativity.

We facilitate the development of a local music scene through our weekly FOLK 'N' IRISH traditional music session and other events throughout the year, culminating in an annual summer event: Niagara Irish Festival. Our primary focus is on building positive connections through music within our local community of Niagara Falls. However, we also recognise the importance of tourism to our community, so we also actively welcome all visitors who are interested in Irish and folk music.

OUR STORY

We are Irish Music Niagara. A group of like minded Irish and folk music enthusiasts who enjoy playing music together and promoting happiness in our local community of Niagara Falls through music.

What makes us unique is the fact that we were founded by two local men who were born in Ireland but have made Niagara their home. Paddy and Declan help guide the organization to ensure it offers an authentically Irish experience in a form that suits Niagara Falls. We are a not-for-profit organization that prioritizes LOCAL musicians and LOCAL businesses and LOCAL partnerships. This is reflected in our membership and in the partnerships we forge.
